# About Us

AAA is a vibrant, diverse student organization, celebrating Asian heritage and student fellowship by serving as the umbrella club of 9 different Asian culture clubs. We welcome everyone, 0-100% Asian, who shares a common interest in Asian culture and wants to promote diversity here at Notre Dame. Through weekly events, AAA hopes to promote connectedness and bonding between its members as well as the greater ND community.

# The Officers

### President: Amy Seo

Junior: Marketing & Chinese

Hi everyone! I'm a junior living in Badin Hall, originally from Edmonds, Washington (near Seattle). I love to try new food, take naps, watch movie marathons, and tease squirrels into thinking I have food for them. I can't wait to meet all of you this fall, and hope to see you at the Freshman Retreat! :)

### Vice-President: Natalie Kim

Senior: Accounting & English

Hey peeps. I'm from Elgin, IL. I used to live in Lewis Hall but am now living off-campus at Irish Row. I like to cook simple foods and share it with everyone. I also like to write poetry and find new apps for my phone (mostly games). Can't wait to meet everyone!

### Secretary: Annette Cai

Sophomore: Science Pre-prof. & Music

Hello everyone! I'm from Los Angeles, CA and am currently living in Cavanaugh Hall. I'm so excited to meet you all and be your AAA secretary for the next school year! I love music, reading, and watching television, and although I'm an awkward turtle I love getting to know people! I can't wait to meet y'all!

### Treasurer: Conder Shou

Sophomore: Computer Science & English

Hey guys! Psyched to be your AAA treasurer this year. I'm from Wellesley, MA and a fellow Highlander at Duncan Hall. I'm obsessed with how we tell stories – acting, piano, jazz improvisation, spoken word poetry, runway, but I love trying plenty of other stuff. Pumped to be meeting all of you!

### Service: Raphael Mercurio

Sophomore: Economics

Sup guys. My name is Raffy Mercurio from Torrance, CA. As Service Commissioner, I'll be taking volunteers on rad service trips to places like homeless shelters, pregnancy centers, or daycare centers near ND. If you want a tour of one of the most historical buildings of Notre Dame, come visit me in Morrissey Manor before it crumbles.

### Membership: Sid Magdaong

Sophomore: Science Pre-professional

Hey there. I'm Sid, the coolest, baddest, handsomest liar at Notre Dame. I come from Murfreesboro, TN (near Nashville), and I'm in Siegfried Hall. I'll be seeing a lot of your faces at events such as the Freshman Retreat and Sports Day. If you ever wanna sing, run, talk about turtles, or do all three, let me know. I like turtles.

### Design: Anthony Luc

Sophomore: Computer Science

Hey guys! This year I'll be living in Dillon Hall (come Thursday nights for Milkshake Mass!) I'm from Fort Wayne, Indiana, and I'm an avid gamer. I play a ton of League and Hearthstone, but I also enjoy writing and photography. Feel free to ask me for tips or advice. See you soon!

### DC Rep: Isabel Chan

Sophomore: Business & Chinese

Waddup guys! I'm a proud Duck of Howard Hall hailing from Chicago. I'm super excited to serve you guys as AAA's diversity rep.! Hit me up if you ever want to talk and grab dinner at South Dining Hall (the best dining hall on campus)! I love to act, sing, read, exercise, and try new things. See ya!

## Our Advisor

### Priscilla Wong

I am wonderfully blessed to be on staff with Campus Ministry and serve as the advisor to AAA, Chinese Student and Scholar Association and the Muslim Student Association! Born in Kunming, China, I grew up in Hong Kong and have had the opportunity to travel quite a lot. Here at ND, I hope to support students' endeavor in embracing the world around them.
