

# About us

The Asian American Association (AAA) welcomes all, 0-100% Asian, to celebrate the Asian-American heritage. With over 400 members, we are one of the largest organizations on campus and serve as an umbrella club for 9 organizations, including the

Korean Student Association, Hawaii Club, Vietnamese Student Association, and more! From our annual culture show to our tight-knit family program to weekly service trips, our many events throughout the year seek to promote connection among members and the ND community as a whole. Through fellowship and service, we hope to positively reflect the essence of being Asian-American! We look forward to spending this upcoming school year with you!

## Officers

### Matt Cabrera

#### President

Senior  
Business Analytics & Economics,  
CDT  
mcabrer1@nd.edu

Matt is from Deerfield, IL and is a former resident of Knott Hall. AAA is special to him because it helped him become more confident in himself and the Filipino side of his culture. Catch him making Spotify playlists in his free time!

### Christine Chun

#### VP (Fall)

Junior  
History, Min-Medieval Studies, ESS  
cchun@nd.edu

Christine is from LA, CA and a former resident of Flaherty Hall. Why AAA for her? "It's just all your friends hanging out. It's great." Wise, insightful words. Despite loving friends, she still loves playing solitaire by herself.

### Helen Gu

#### VP (Spring)

Junior  
Neuroscience & Behavior,  
Anthropology Minor  
xgu3@nd.edu

Helen is from Arcadia, CA and will be living in Pangborn this year. AAA has not only helped her discover her culture, but come to terms with it. If you see her napping, she's just trying to fulfill her goal of taking a nap in every non-dorm building on campus!

### Annie Martino

#### Secretary (Fall)

Junior  
Science-Preprofessional and  
Chinese Minor  
amarti63@nd.edu

Annie is from West Chester, PA and lives in Flaherty Hall. She aims to make ND a stronger community by leveraging AAA's diversity and learning from it. Fun fact, she has the same birthday as Warren G. Harding AND James K. Polk (she's pretty old).

### Stella Cho

#### Secretary (Spring)

Junior  
Neuroscience and Spanish  
echo2@nd.edu

Stella is from Arcadia, CA and lives in Pasquerilla West Hall. Through AAA, she has learned a lot more about her culture & been able to share it with her friends. She's also a coffee addict, so you know how to get on her good side :)

### Stacy Xue

#### Treasurer

Sophomore  
Accounting  
sxue@nd.edu

Stacey is from NYC, NY and will be living in Johnson Family Hall. AAA has allowed her to hear stories of other cultures & experiences & share her own. She also does flag football, cross country, photography, AND classical music. This is why we trust her with our money.

### Michelle Cho

#### Membership Outreach

Sophomore  
Psychology  
mcho@nd.edu

Michelle is from Alpharetta, GA and lives in Pasquerilla West Hall. She's looking forward to coming up with ways to continue AAA traditions and connect ~socially distanced~ of course. If you're planning to get her coffee, make sure it's iced (yes, even if it's freezing outside).

### Paige Luong

#### Design & Media

Sophomore  
Science-Business  
pluong@nd.edu

Paige is from Millbrae, CA (Bay Area) and is a former resident of Pasquerilla West Hall. With the change in location, she found that AAA gave her a sense of home at Notre Dame. If you're bored, talk to her about fencing!

### Brandon Chou

#### Event Coordinator

Sophomore  
Science-Business, Compassionate Care in Medicine Minor  
bchou@nd.edu

Brandon is from Louisville, KY and lives in O'Neill Family Hall. For him, AAA has been a great way to stay close to his heritage and roots while also experiencing cultures beyond his own. He can also juggle (physically, and an insane amount of other extracurriculars, too!).

### Arnel Bulaoro

#### Advisor

abulaoro@nd.edu

Arnel Bulaoro is the interim Director of Multicultural Student Programs and Services at the University of Notre Dame. He works with both the Building Bridges Mentoring Program and the MSPS Scholars Programs. He received his Master of Arts degree from the University of Notre Dame in the area of theology.

# Events

Here are just a few events that AAA puts on throughout the year!

First Year Retreat

Multicultural Mass

Fall Formal

Asian Allure

Fall Sports Day

FAAAm Ramen Event

Chocolate Break

Service Trip
